SAP

Dear Hiring Manager,

This letter is to express my interest in your organisation for the position of Full-Stack Developer - SAP CX Innovation Office Job . My background as a Web Developer, along with my education in Computer Applications, and a Master's degree in Software Engineering have allowed me to attain a strong foundation of technical skills.

In addition to Web Development skills, I enjoy being challenged and working on the projects that require me to work outside my comfort and knowledge set. I have over three years of experience with web development using PHP, HTML, CSS, and I am eager to learn more new technologies to sharpen my skill set.

Your listed requirements closely match my background and skills. A few I would like to highlight are:

- Web development using **HTML5, CSS, JS, Bootstrap,PHP, AJAX, Json, MySQL Ajax, jQuery and JavaScript.**
- Experience in different CMS like **WordPress, Magento(Ecommerce Platform), Joomla.**
- Experience in **CodeIgniter** framework and core PHP.
- Experience in Code versioning systems like **Git.**
- Experience in issue tracking tools like JIRA
- Experience in Scrum.
- Experience on making responsive websites.
- Knowledgeable of back-end development best practices.
- Proven track record of proper documentation for future maintenance of Projects.
- Skilled in designing, testing, and developing software.
- Knowledge of UML Diagrams, Agile and waterfall methodologies.
- Ability to work within a team and independently.

I've attached a copy of my resume that details my experience in web development. I can be reached anytime via my cell phone, 514-777-6181 or via email at [**gargisharma92@gmail.com**](mailto:gargisharma92@gmail.com).

Thank you for your time and consideration. I look forward to speaking with you about this opportunity.

Sincerely,
GARGI SHARMA
